IN RE REFILLING
MASTER JURY
WHEEL

)
) ADMINISTRATIVE ORDER
) 03-AO-0009

Section F of the Amended Plan for the Random Selection of Grand and Petit Jurors for the United States District Court for the Northern District of Iowa (Plan) and Administrative Order 03-AO-006 direct that the Master Jury Wheels For the Northern District of Iowa are to be refilled by not later than June 1, 2003.

The court has now been advised that, due to delays by the Administrative Office in approving the qualification questionnaires and in releasing the software to scan the new questionnaires, it is not practical to have all wheels refilled by June 1, 2003. The court believes that this constitutes cause under Section F of the plan warranting an extension of the time to refill all wheels.

NOW THEREFORE, IT IS ORDERED

The master jury wheels currently in full force and effect shall be emptied and refilled by not later than July 1, 2003. Until the wheels are refilled the current wheels and panels shall remain in full force and effect.
